INFORMATION REPORT INFORMATION REPORT

- SECRET
1. Regional Headquarters of the Public Security Corps; former Hotel Palace on Nadrazni street, four-storied, renovated, 40 meters long.
 2. Regional Headquarters of the State Security (StB); on Nadrazni Street, three-storied, former hotel Libuse, about 40 meters long. In 1952-53 annexes were built to the main building.
 3. Local (Town-) Headquarters of Public Security; former Hotel Broucek on Havlickova Street, 15 meters long. The building was used by the StB first.
 4. District Military Administration (Okresni vojenska sprava - OVS); former hotel Rathonsky on Chrudimska Street, four-storied, 12 meters long.
 5. Regional National Committee; former Regional Post Office Administration, a corner building on Gottwald Square, four-storied, 50 meters long. The building houses also the Regional Military Administration (Krajaska vojenska sprava - KVS) and the District National Committee.
 6. Regional People's Court; houses also the Regional Prison.
 - 5 a. Local National Committee; former Town Hall on Perstynske Square, about 50 meters long.
 7. Regional Communist Party Secretariat; former Hotel Grand; four-storied, 60 meters long. The "Stalingrad" restaurant is on the first floor.
 8. Main Post Office; four-storied, modern, 20 meters long, on the main avenue.
 9. State Bank; three-storied, 40 meters long.
 10. Military Stores; the area contains: garrison bakery, laundry and about 14 wooden warehouses. A railroad spur leads to the warehouses from the RR station. About 50 civilians are employed in the warehouses.
 11. Refinery of Mineral Oils (former Fanta Refinery). The plant is under military control. It employes about 600 workers and some parts work in three shifts. It is guarded by Plant Guard.
 12. Tank Barracks; former military horse riding center, on Mozart Street. The buildings were renovated inside; there were no outside constructions. The barracks consist of a three-storied part, about 60x20m, with a two-storied annex, 20 x 15 m, another three-storied building, 15 x 10 m, houses the Garrison Administration offices and the former riding hall and stables are used as warehouses. The former open riding grounds are

13. Fucik Barracks; occupied by engineers since 1945. North of the cemetery were built in 1955 new warehouses with loading ramps; the warehouses are about 30 x 10 m large each.
- 13 a. Military administration offices; former cloister, two-storied, L-shaped.
14. "Zamecek" Barracks; former mansion house (zamecek), contains tank work-shops.
15. Kozena, national enterprise; older plant producing various leather goods, such as handbags, suitcases, etc. The bulk of its production is for the military and comprises of rucksacks, knapsacks, tents, etc. The plant employs about 300-350 persons who work in three shifts.
16. Flour Mill Equipment Plant, also called "Prokopka"; manufacture flour mill equipment and performs its installation. The plant employs about 400 persons who work in two shifts.
17. East Bohemian Distilleries, national enterprise, (Vychodoceske lihovary, n.p.); former "Hobe" distilleries. About 150 employees work in two shifts.
18. East Bohemian Breweries, national enterprise, (Vychodoceske pivovary, n.p.) also Pardubicky pivovar); 400 employees.
19. Refrifrigirating warehouses; finished in 1955, reinforced concrete building, about 50 x 40 meters large.
20. East Bohemian Chickory Plant (Vychodoceske cikorkarny, n.p., former "Francovka"). About 500-600 employees work in two shifts.
21. Rainberg Plant; manufacture of bridge armatures. 350 employees work in two shifts.
22. Electric Power Station; run on steam. The last construction work done on the station took place in 1938. 500 employees work in three shifts. The output is not sufficient for the town of Pardubice and a new, bigger steam powered plant was planned to be built in 1955.
23. New Pardubice Railroad Station was in February 1956 about to be finished. In 1956 the levelling of terrain for a new freight yard began; the freight yard will be in the direction of Rosice nad Labem.
24. Old Pardubice Railway Station; will be abolished when the new one is finished.
25. Terminal of Long-Distance Bus Lines, also parking area for the trucks.
26. The main railroad underpass; about 80 meters long and 30 meters wide.
27. New antiaircraft shelter; finished in 1956. The cover purpose of the construction was a cold storage for vegetables. The inside measurements: 50 x 40 m. The code number for the construction was K 8. The ceiling consists of two meters thick ferro-concrete slabs.
